

## Published Articles: 2012-2017

1. SnehaKeerthi, Tahereh Akhoundi, K.V Vishnu, Pratap Balakrishna, N.K. Meera. An epidemiological and pharmacotherapy study on diabetic foot infections. *Indian Journal of Drugs and Diseases*. 2017; 6(1): pp. 1-7. [View Article](#)
2. M. Sivagamasundari, V. Krishnan, M. Gopi. Studies on vein gall of two selected plants in Courtallum hills. *Indian Journal of Drugs and Diseases*. 2016; 5(1): pp. 1-5. [View Article](#)
3. S.Gopalakrishnan, Philip Kaupa, S. Yamini Sudha Lakshmi, Fouzia Banu. Antimicrobial activity of synthesized silver nanoparticles and phytochemical screening of the aqueous extract of Antiaris toxicaria. *Indian Journal of Drugs and Diseases*. 2015; 4(1): pp. 1-4. [View Article](#)
4. Desmond Kapinus, S. Gopalakrishnan, S. Yamini sudha Lakshmi, Fouzia Banu. Comparison of antimicrobial activities of silver nanoparticles synthesized from Bridelia minutiflora Hook. f. through Boiling method and Microwave irradiation method. *Indian Journal of Drugs and Diseases*. 2015; 4(1): pp. 1-5. [View Article](#)
5. S. Yamini Sudha Lakshmi, Fouzia Banu V. Brindhya S. Gopalakrishnan and N.Gajendran. Antimicrobial activity of Aegle marmelos (Correa) Linn. Silver nanoparticles. *Indian Journal of Drugs and Diseases*. 2014; 3(1): pp. 294-297. [View Article](#)
6. P.Jayaraman<sup>1</sup>, E.Sivaprakasam, V.Rajesh, K.Mathivanan P.Arumugam. Comparative analysis of antioxidant activity and phytochemical potential of Cassia absus Linn., Cassia auriculata Linn. and Cassia fistula Linn. *Indian Journal of Drugs and Diseases*. 2014; 3(1): pp. 298-304. [View Article](#)
7. R. Kavitha, C.V. Chittibabu, T.S. Subha. In vitro antibacterial activity and phytochemical composition of Kedrostis foetidissima (Jacq.) Cogn. *Indian Journal of Drugs and Diseases*. 2014; 3(1): pp. 305-310. [View Article](#)
8. Arbind KC, Nivedhitha S, Manicvasagam S, Tirumalikalundu subrmanian P. Awareness And Perception Experiences On Adverse Drug Reaction Among Doctors, Nurses & Pharmacists Of A Tertiary Care Rural Teaching Hospital. *Indian Journal of Drugs and Diseases*. 2013; 2(2): pp. 248-258. [View Article](#)
9. Ezirim AU, Okochi VI, James AB, Adebeshi OA, Ogunnowo S1 and Odeghe, OB. Induction of apoptosis in myelogenous leukemic K562 cells by ethanolic leaf extract of Annona muricata. *Indian Journal of Drugs and Diseases*. 2013; 2(2): pp.249-251. [View Article](#)
10. Belonwu DC, Onyeike EN and Oghenekaro Uche Ekere. Comparative phytochemistry of peddled yoruba medicinal formulations. *Indian Journal of Drugs and Diseases*. 2013; 2(3): pp. 259-269. [View Article](#)
11. Belonwu DC, Onyeike EN and Oghenekaro Uche Ekere. Effect of selected yoruba medicinal formulations on certain haematological parameters of wistar albino rats. *Indian Journal of Drugs and Diseases*. 2013; 2(3): pp.270-275. [View Article](#)
12. A. Arivuchelvan, S. Murugesan and P. Mekala. Immunomodulatory effect of Withania somnifera in broilers treated with high doses of enrofloxacin. *Indian Journal of Drugs and Diseases*. 2013; 2(4): pp. 276-279. [View Article](#)
13. Belonwu DC, Onyeike EN and Oghenekaro Uche Ekere. Phytochemical analysis of the Yoruba medicinal formulations- “Gbogbo nise” and its effect on some liver enzymes. *Indian Journal of Drugs and Diseases*. 2013; 2(5): pp.280-287. [View Article](#)
14. Belonwu DC, Onyeike EN, Oghenekaro Uche Ekere. Effect of selected yoruba medicinal formulations on certain biochemical parameters in wistar albino rats. *Indian Journal of Drugs and Diseases*. 2013; 2(5): pp. 288-293. [View Article](#)
15. Radhika N Mote and Pillai M. Effect of Glycowithanolides on Fucose Content in Salivary Glands of Aged Mice. *Indian Journal of Drugs and Diseases*. 2013; 2(10): pp.231-240. [View Article](#)
16. Parth Chauhan, MS Patel and NM Patel. Review on gastroretentive drug delivery systems. *Indian Journal of Drugs and Diseases*. 2013; 2(10): pp. 218-230. [View Article](#)
17. C.E.Rani Juneius\*1 and J.Selvin. Identification, phylogenetic characterization and preliminary screening of primary and secondary metabolites producing bacteria associated with marine sponge Axinella donani. *Indian Journal of Drugs and Diseases*. 2012; 1(1): pp.1-9. [View Article](#)
18. L. Aravindh, P.Jagadhesh, P. Mahesh kumar, Ramasubramanium, N. Raj vikram. Oral lesions associated with Tobacco. *Indian Journal of Drugs and Diseases*. 2012; 1(1): pp. 10-11. [View Article](#)
19. Sangeeta Huidrom and Manab Deka. Determination of antioxidant property of Andrographis paniculata. *Indian Journal of Drugs and Diseases*. 2012; 1(1): pp. 12-17. [View Article](#)
20. Balasubramanian J, Narayanan N, Shahul Hamed Maraicar K, Murugan M, Azhagesh raj K and Aruna M. A robust clinical information on king of carotenoids: a systematic review of the literature. *Indian Journal of Drugs and Diseases*. 2012; 1(1): pp. 18-25. [View Article](#)
21. Adumanya OC, Odeghe OB, Uwakwe AA, Onwuka FC and Ebiringa EC. Studies on the antiplasmodial effects of Metaprim and Alaxin on some selected supplements. *Indian Journal of Drugs and Diseases*. 2012; 1(1): pp. 26-42. [View Article](#)
22. A. Manoharan, D. Ramasamy, B. Dhanalashmi, K.S.Gnanalashmi and D.Thyagarajan. Studies on sensory evaluation of Curcumin powder as natural color for butterscotch flavor ice cream. *Indian Journal of Drugs and Diseases*. 2012; 1(1): pp.43-46. [View Article](#)
23. Ayana Ravi and Oommen P. Saj. Antioxidant potential of bark extract of Holigarna Arnottiana Hook. *Indian Journal of Drugs and Diseases*. 2012; 1(2): pp. 32-34. [View Article](#)
24. H. Muhamed Mubarak, A. Doss and M.Vijayasanthi. Study on prevalence of bovine mastitis on dairy cows in and around Coimbatore district, Tamilnadu, South India. *Indian Journal of Drugs and Diseases*. 2012; 1(2): pp. 35-38. [View Article](#)
25. Onuoha S.C, Uwakwe A.A and Nwachoko N.C. Effects of some oral hypoglycemic drugs on Erythrocyte NADPH methaemoglobin reductase (E.C. 1.6.4.4) activity of albino rats (Rattus rattus). *Indian Journal of Drugs and Diseases*. 2012; 1(2): pp. 39-42. [View Article](#)
26. R. Annalakshmi, R.Uma, G. Subhash Chandran, A.Muneeswaran. Common plants used in the treatment of jaundice in southern India as a natural remefier- A review. *Indian Journal of Drugs and Diseases*. 2012; 1(2): pp. 47-50. [View Article](#)
27. Vaikundam Kannabirran, Subramanian Madhu, P. Vidhya Priya, R. Uthaya and Senguttuvan Sivan Mozhi. An endemic challenge of Dengue – A crucial review. *Indian Journal of Drugs and Diseases*. 2012; 1(3): pp. 51-58. [View Article](#)
28. R. Annalakshmi, R.Uma, G. Subash chandran, A. Muneeswaran. A treasure of medicinal herb - Anacyclus pyrethrum A review. *Indian Journal of Drugs and Diseases*. 2012; 1(3): pp. 59-67. [View Article](#)
29. Tonkiri Ayakeme, G.O. Ibeh, M.N. Nwinuka and N.C. Nwachoko. Effects of garlic extract on cadmium-induced toxicity in wistar albino rat. *Indian Journal of Drugs and Diseases*. 2012; 1(3): pp. 68-73. [View Article](#)
30. Ogunka-Nnoka C.U, Uwakwe A.A and Nwachoko N.C. Serum enzyme and histological studies of albino rat treated with ethanol/potash extract of Sorghum bicolor leaf sheath. *Indian Journal of Drugs and Diseases*. 2012; 1(3): pp. 74-78. [View Article](#)
31. Uthaya R, Vaikumdam Kannabirran, Subramanian Madhu, Senguttuvan Sivan Mozhi, Vidhya Priya P. A lethal switch “The dengue - an inclusive review”. *Indian Journal of Drugs and Diseases*. 2012; 1(3): pp. 79-85. [View Article](#)
32. Okoye N.F, Uwakwe A.A, Belonwu D.C and Nwachoko N.C. In vivo effect of microgynon and primolut-N on plasma sodium and potassium of wistar albino rat. *Indian Journal of Drugs and Diseases*. 2012; 1(4): pp. 92-96. [View Article](#)
33. Okoye NF, Uwakwe AA, Belonwu DC and Nwachoko NC. A study of the in vivo effect of microgynon and primolut-N on albino rat plasma aspartate amino transferase (EC 2.6.1.1) and alanine amino transferase (EC 2.6.1.2) AT 37 OC, pH = 9.8. *Indian Journal of Drugs and Diseases*. 2012; 1(4): pp. 97-103. [View Article](#)
34. Amitava Poddar. Effect of individualized homoeopathic treatment in influenza like illness. *Indian Journal of Drugs and Diseases*. 2012; 1(4): pp. 103-108. [View Article](#)
35. A. Arivuchelvan, S. Murugesan, P. Mekala and R. Yogeswari. Immunomodulatory effect of Ocimum sanctum in broilers treated with high doses of gentamicin. *Indian Journal of Drugs and Diseases*. 2012; 1(5): pp.109-112. [View Article](#)
36. M. Lanord Stanley Jawahar and D. Elantamilan. Prevalence of diabetes estimated by using two different Indian risk scores. *Indian Journal of Drugs and Diseases*. 2012; 1(5): pp. 113-116. [View Article](#)
37. AJIBOSO S. O. O. Influence of chloroquine and sulfadoxine on biochemical and hematological indices in albino rats. *Indian Journal of Drugs and Diseases*. 2012; 1(5): pp. 117-123. [View Article](#)
38. E.D. Kpomah, and E.M. Arhoghro. Effects of doses of Bryophyllum pinnatum and glibenclamide on serum glucose and lipid profile in alloxan-induced diabetic rats. *Indian Journal of Drugs and Diseases*. 2012; 1(5): pp. 124-129. [View Article](#)
39. Arhoghro E. M, Anosike E. O, Uwakwe A. A. Ocimum gratissimum aqueous extract enhances recovery in cisplatin - induced nephrotoxicity in albino Wistar rats. *Indian Journal of Drugs and Diseases*. 2012; 1(5): pp. 129-142. [View Article](#)
40. A. Arivuchelvan, S. Murugesan and P. Mekala. Antioxidant properties of Ocimum sanctum in broilers treated with high doses of gentamicin. *Indian Journal of Drugs and Diseases*. 2012; 1(6): pp. 143-146. [View Article](#)
41. Bilal Ahmad Mir, Jabeena Khazir, Nisar A. Mir, Tanvir-ul Hasan and Sushma Koul. Botanical, chemical and pharmacological review of Withania somnifera (Indian ginseng): an ayurvedic medicinal plant. *Indian Journal of Drugs and Diseases*. 2012; 1(6): pp. 147-160. [View Article](#)
42. Nishat Chowdhury, Fatema Tabassum and Uttam Kumar Roy. An elucidation of the major symptoms treated by self-medication of pain relieving and H1 antihistaminic drugs in Bangladesh. *Indian Journal of Drugs and Diseases*. 2012; 1(6): pp. 161-167. [View Article](#)
43. Vijayavel T, Ponnivijayavel, Praveena NM and Priya ramani. Corticosteroids in oral diseases. *Indian Journal of Drugs and Diseases*. 2012; 1(7): pp. 168-170. [View Article](#)
44. Santosh Ramdurg MD, Tukaram Sori and Ranganath R Kulkarni. A rare case report of Risperidone Induced Steven Johnson syndrome. *Indian Journal of Drugs and Diseases*. 2012; 1(7): pp. 171-172. [View Article](#)
45. Amutha Periyasamy, Kumar Nagarathinam, Jayakumar Ponnusamy, Karthikeyan Rajendren. A study of Anti-hyperglycemic and insilico Aldose reductase inhibitory effect of terpenoids of Euphorbia antiquorum Linn. in alloxan induced diabetic rats. *Indian Journal of Drugs and Diseases*. 2012; 1(7): pp. 173-179. [View Article](#)
46. Adumanya OCU, Uwakwe AA and Obi-adumanya GA. Effect of malaria on rural household’s farm income in Imo state-A case study of Umuna orlu and Umuagwo ohaji egbema village. *Indian Journal of Drugs and Diseases*. 2012; 1(8): pp. 179-184. [View Article](#)
47. Chuku LC and Uwakwe AA. Haematological and biochemisical studies on selected species of fishes. *Indian Journal of Drugs and Diseases*. 2012; 1(8): pp. 185-191. [View Article](#)
