About the University

University of Madras is a public state University in Chennai, Tamil Nadu, India. Established in 1857. It has 5 Campuses in the city. UNOM holds NAAC A++ accreditation and it ranked among the top universities in India.

August 27th & 28th, 2026

About RRMAIH-2026

The Conference connects International and National views about the major benefits explicating the traditional knowledge, natural product research, modern biomedical science and health care innovations. It aims to gain knowledge to promote interdisciplinary collaboration scientific validation and translation of research into practical health applications.

About the Department

The Department of Medical Biochemistry is the first Department to be established in the institute of basic medical sciences in 1968 (168 years). The Department offers two years PG degree in Biochemistry along with the Ph.D Programme. It is the oldest Department which has produced more than 287 Ph.D's so far.

Themes Covered

Cancer Biology /
Translational Medicine/
Herbal Supplements for
Dental care/
Bioinformatics/
Molecular Medicine/
Radiotherapeutics/
Personalized Medicine/
Genomics
&
Proteomics

Dr. S. Armstrong

Member-VC Convenor Committee
University of Madras

Patrons

Dr. Rita John

Registrar
University of Madras

Invited Talks

Invited Talks by
Eminent
Scientists from
Abroad and
India

Last date for Registration
&

Abstract submission:
17.08.2026

Registration Fee

Faculty Members - Rs 700.00

Research Scholars - Rs 500.00

PG Students - Rs 350.00

UG Students - Rs 250.00
